

BATH SACK

BENEFITS

- Softens water
- Reduces toxins
- Reduces chlorine (non-scented)

MAINTENANCE

- Before using, wash bath sacks in warm tap water for 2 minutes (no activation required)
- To clean the mesh sack, hand wash with mild soap—NEVER use inflammatory substances

HOW TO USE YOUR BATH SACK

- Simply drop bath sacks in tub, swirl around a few times, and let sit for 5 minutes
- After every use, rinse with tap water and set in a dry area

CAUTION:

- Make sure that the sack is closed
- After using, remove the product from tub
- Only take beads out when cleaning the mesh bag
- DO NOT put near fire or put in microwave
- In case of an allergic reaction, please consult with physician
- KEEP OUT OF REACH OF CHILDREN

Uses: approximately 300 baths
